Soft skills

- Leadership quality
- Stress management
- Adaptability

Technical skills

- C(Basis)
- Java(Basis)

Education

M.Kumarasamy college of Engineering(2021-2025)
Bachelor of Electronics and communication Engineering
8.2 CGPA until 4th semester

Kandaswamy kandar matriculation higher secondary school(2021)
Higher Secondary School Certificate
89.8%

Kandaswamy kandar matriculation higher secondary school(2019)
Secondary School leaving Certificate
89.4%

Projects

Reconfigurable intelligence surface

- To control the reflection of electromagnetic waves by changing the electric and magnetic properties of the surface
- Antenna designing skills
- I learnt to find return loss,gain for antenna

Design of low power 1-bit full adder

- Variety of power reduction techniques will be infused for making efficient full adder design.Measured by CMOS process
- LT-Spiece software designing skills
- I learnt to knew circuit designing for full adder

Area of interest

- Database management system
- Internet of things

Languages

- English
- Tamil

Hobbies

- Listening Music
- Playing chess

Achievements

- Certified in LSWR Skills under Step plus in 2023
- Completed BEC preliminary course obtained A2 grade in 2022
- Completed Introduction of things in NPTEL with 75% (Silver+Elite) in 2023
- Completed 200+ programs in skill rack

Date:

Place:

Co-curricular activities

- Presented paper on "BLOCK CHAIN" in National level symposium at Nandha engineering college in june 2022.
- Participated on workshop in the title of "AURDINO AND IOT" at SNS college in 2023.

Other courses

- Completed ICT Learnthon courses on 2022
- Completed Introduction to cybersecurity offered by cisco on september 2022.

Personal detsils

- Father's name: Saravanan M
- Mother's name: Amudha S
- Date of birth: 25/08/2003
